

AN ORDINANCE # 10

REGULATING THE DISCHARGE OF STORM WATER, GROUND WATER, ROOF RUNOFF, FOUNDATION DRAINAGE AND OTHER SUB-SURFACE DRAINAGE INTO THE SANITARY SEWAGE SYSTEM OF THE CITY OF BEASLEY, TEXAS.

WHEREAS, the City of Beasley will provide facilities for the collection and treatment of wastewater to promote the health, safety, and convenience of its people and for the safe guarding of all, and

WHEREAS, provision has been made in the design, construction and operation of facilities to accommodate only waste water treatment, and

WHEREAS, provision has not been made in the waste water system to accommodate, storm, surface water or surface or sub-surface water of any kind.

The city shall serve persons discharging in violation of this ordinance with written notice stating the nature of the violation and providing a reasonable time limit for satisfactory compliance.

A person who continues prohibited discharges is guilty of a misdemeanor and upon conviction is punishable by a fine of not more than \$200.00 for each act of violation and for each day of violation.

The city may pursue all criminal and civil remedies to which it is entitled under authority of statutes and ordinances against a person negligently, willfully or maliciously for continuing prohibited discharges.

NOW, THEREFORE BE IT ORDAINED by the City Council of the City of Beasley, Texas.

PASSED AND APPROVED on the 20th day of MARCH, 1973.
