Article II.

Section A. City Council's authority.

Except as other wise specified in this chapter, the City Council of the city has power and authority to approve permits and licenses required pursuant to this chapter. The Council shall prescribe forms therefore, including all information reasonable and necessarily required for the Council's enforcement of the provisions of this chapter. The Council shall also have the authority to establish reasonable and necessary administrative rules and regulations relating to the performance of the Council's duties under this chapter such as the place where license and permit applications will be received and the times when inspections will be made.

Section B. Notices and orders.

The city's chief of police and his respective authorized deputies, officers, inspectors, and other representatives or agents of the city, are hereby authorized to issue all necessary notices, citations, or orders to remove or abate illegal or unsafe conditions and to ensure compliance with all the requirements of this chapter for the safety, health and general welfare of the public.

Section C. Compliance.

When any person shall be notified by a written notice by the city that any condition may exist or work being done by him as owner, agent, or in any other capacity, is in violation of the provisions of this chapter, it shall be his duty to abate the violation within the time specified in the written notice. Such time shall not exceed ten (10) days and the City Council may provide for immediate compliance when a serious threat to life or substantial damage to property may exist.

Section D. Penalty.

Any person who shall violate any of the provisions of this chapter shall, upon conviction be fined not more than two thousand (\$2,000.00) dollars, and each day's violation shall constitute a separate violation.

In addition to the penalties herein above provided, any condition caused or permitted to exist in violation of any of the provisions of this ordinance shall be deemed a public nuisance and may be abated by the city as provided by law.

Article III.

Section A. Mobile homes prohibited in the city.

1. It shall be unlawful for any person to place, or maintain a mobile home or manufactured home in any location within the City of Beasley or within its extra-territorial jurisdiction, other than in a mobile home park duly licensed and authorized under the terms of this ordinance.
2. It shall be unlawful for any person to permit or suffer any mobile home to remain within the city in any location not authorized pursuant to this ordinance.
3. This provision is prospective and shall not apply to any mobile homes used and occupied as residential dwellings, in the city on the effective date of this ordinance.
4. Placement of a mobile home for use or occupancy as a residential dwelling, constructed prior to June 15, 1976 shall be prohibited within the corporate limits of the city. Said prohibition will be prospective and shall not apply to a mobile home previously legally permitted and used or occupied as residential dwelling within the city, provided that such occupation was lawful and that the continued occupation thereof does not possess a significant danger to the health or safety of persons within the mobile home or to others. Permits for such use and occupancy shall be granted by the city for replacement of a mobile home constructed prior to June 15, 1976 within the corporate limits with a HUD-code manufactured home, provided the placement of such replacement manufactured home can meet the requirements of this ordinance.

Except as permitted above and subject to lawful compliance with this ordinance, a mobile home may be placed, or permitted to remain within the city, if and only if, it is situated:

- a. In a licensed mobile home park.

- b. In a mobile home subdivision, meeting all requirements of the city's ordinance pertaining to subdivisions.
- c. In a mobile home sales lot.
- d. Upon a site that such mobile home has continuously occupied since the effective date hereof, provided that such occupation was lawful on that date, and further provided, that the continued occupation thereof does not pose a significant danger to the health or safety of persons within the mobile home or to others.
- e. Upon a site that such mobile home has occupied prior to annexation of the site by the city, provided that such mobile home has continuously occupied the site since the date the site was annexed, and further provided, that the continued occupation thereof does not pose a significant danger to the health or safety of persons within the mobile home or to others.
- f. The exemption for existing mobile homes shall apply to the mobile home being occupied at the time of the adoption of this chapter as defined in subsection (4) above, or to the mobile home being occupied at the time of annexation as defined in subsection (5) above, and shall include any replacement mobile homes for such site provided such replacement is made within six (6) months of the date the mobile home being replaced has been removed, damaged or destroyed, if the placement of such replacement mobile home can meet the setback and distance requirements.
- g. Upon a site for which a hardship permit is in effect.

Section B. Hardship Permits.

- 1. The council may issue a hardship permit to place a mobile home on a lot, tract or parcel of land located outside a mobile home park, or mobile home subdivision because of one or more of the following grounds when it is found that there would be serious hardship if a mobile home could not be placed on the site and there is no permanent housing available that could fulfill the need. The grounds for granting of such a permit include, but are not limited to the following:
 - a. Illness in the family or of relatives of the applicant.
 - b. Temporary economic hardship that would only be relieved by temporary use of the mobile home outside a mobile home park or subdivision.

- c. The applicant shall have the burden of showing the need for a hardship permit by clear and convincing evidence.
- d. The permit shall be granted for a period of time necessary to relieve the hardship which would result if no permit were granted, provided, however, such permit shall not be valid for more than one year.

Section C. Appeal and revocation.

1. The decision of the council is final and no appeal shall be granted.
2. The council shall have the right to revoke a hardship permit on a finding that the facts set forth in the application were untrue or incorrect or that the grounds upon which the issuance of the hardship permit was based are no longer operative.
3. A revocation hearing shall be scheduled by the council. Written notice of the date, time and place thereof shall be mailed to the permittee by certified United States mail, postage prepaid, return receipt requested, addressed to the address set forth on the application. Such notice shall be mailed at least ten (10) days prior to the date of hearing, shall set forth the grounds upon which revocation will be sought in sufficient detail to advise the permittee thereof and shall advise the permittee of his right to be present in person and through counsel to present evidence and cross examine witnesses appearing at such hearing.
4. If council determines that grounds for revocation exist, it shall order the hardship permit revoked by written decision. A copy thereof shall be furnished the permittee.

Section D. Smoke detectors.

1. All manufactured homes and recreational vehicles, shall be maintained in a safe and sanitary condition.
2. No person shall occupy a manufactured home or recreational vehicle, regardless of the age of the home or vehicle, unless there is installed therein smoke detectors approved by the city, or is required by law for the particular manufactured home or recreational vehicle.
3. All smoke detectors in a manufactured home or recreational vehicle shall be maintained so that they are in good working order at all times.

Section E. Skirting requirements.

All mobile homes shall have skirts within thirty (30) days after being placed.

Article IV.

Section A. Placement permit required for occupancy.

It shall be unlawful for any person to use or occupy in whole or in part, make use of any utility service, or to furnish utility to any mobile home which has been placed or replaced with the city until and unless a placement permit therefore has been issued and finalized.

Section B. Application.

1. Any person desiring to place or replace a mobile home shall make application therefore upon one (1) or more forms prescribed by the City Council setting forth:
 - a. A description of the mobile home by dimensions, manufacturer and serial or identification number.
 - b. The name and address of the person having title to the mobile home.
 - c. The date of manufacture of the mobile home.
 - d. Whether the mobile home has affixed to it a seal, label, or decal certifying its compliance with standard adopted by the Texas Department of Labor and Standards pursuant to Vernon's Ann. Civ. St. art. 5221f or a seal or label or decal issued by another state certifying its compliance with standards promulgated for mobile home by the United States Department of Housing and Urban Development.
 - e. If the mobil home has affixed to it a seal, label or decal as alterations to the mobile home since the seal, label or decal as described in (a)(4), above, the applicant shall certify whether or not there have been any alterations to the mobile home since the seal, label or decal was affixed.
 - f. The proposed location of the mobile home by legal description, plot plan, diagram or other means which is adequate to advise the City Council of the exact placement and its property lines and other structures.
 - g. The number of hardship permit which has been issued by the city.

- h. The license number of the mobile home park operator if the mobile home is to be placed in a mobile home park.
 - i. The county clerk's recording information for the plat thereof if the mobile home is to be placed in a mobile home subdivision.
 - j. Any information necessary to determine compliance with any applicable regulations pertaining to flood-prone areas.
 - k. The utilities to be provided to the mobile home and the source and availability thereof.
 - l. Any additional information the City Council finds will aid them in the enforcement of this chapter or other laws applicable to mobile homes.
2. The application shall be signed by the owner of the mobile home or his agent, and if the mobile home is to be placed outside a mobile home park, the owner of the land on which the mobile home is to be located.

Section C. Finalization of placement permit.

1. A placement permit shall be finalized by the building official and occupancy of the mobile home shall be authorized when:
 - a. The applicant has obtained all applicable permits and inspections under this Ordinance and the city building codes.
 - b. The City Council has found that the mobile home and its placement meet all applicable requirements of the city's ordinances and all state laws which may be enforced by the city.

Section D. Placement inspection and fees.

Each mobile home placed or replaced within the city for the first time shall be inspected by the City Council to determine that its placement is in accordance with the provisions of this ordinance. A fee for such placement inspection is hereby established in the amount of seventy-five dollars (\$75.00). In consideration of such fee the applicant shall be entitled to the original inspection of the placement of the mobile home and one reinspection for deficiencies, if required. An additional fee of fifty dollars (\$50.00), is hereby imposed and shall be collected for the second and subsequent reinspection due to deficiencies concerning the mobile home or its placement.

Article V.

Section A. Procedure for preliminary plat approval.

Four copies of the preliminary plat of any proposed mobile home park shall be submitted to the City Council for approval. Such preliminary plat shall be filed in City Hall at least five days prior to the regular meeting of such body at which approval is requested.

Section B. Scale Contents.

1. The plat shall be drawn to a scale of one inch equals two hundred feet (1" = 200'), or larger and shall show or be accompanied by the following data and information:
 - a. Proposed mobile home name and the city, county, and state in which the park is located.
 - b. Name, address of record owner, engineer, surveyor, land planner or any other designer responsible for the survey and design.
 - c. Location of boundary or property lines; width and location of platted streets, alleys and easements within or adjacent to the proposed mobile home park; present physical features on the land including natural and artificial watercourses, ditches, ravine, culverts, bridges, present structures and any other features pertinent to the proposed mobile home park, location of any existing utilities, pipeline, showing pipe sizes and capacities of sewer and water mains and drainage facilities, outline of any existing wooded areas and the location, species and size of any individual trees.
 - d. Where the property to be subdivided is located upon broken or highly undulating or rough terrain. The City Council may require a topographic map of the property with contour intervals of two to five feet, with all grades shown thereon tied to city datum, or such datum of any public authority that may be established in the area. The description of the property shall include the approximate acreage. Plats shall be located with respect to an original corner of the survey of which the land is a part.
 - e. The preliminary plat shall show the street system design, location and width of the proposed streets and lots and their relationship to streets, alleys and easements in adjacent subdivision. If there are no adjacent subdivision thereto, a vicinity or location map drawn at a smaller scale, shall be submitted along with the

preliminary plat, this map will show the boundaries and ownership of adjacent properties; the location and distance to the nearest subdivisions, and the manner in which the streets, alleys, easements and highways for the proposed mobile home park may eventually connect with those of the nearest existing subdivision.

- f. Classification and designation of the intended uses of the land within the mobile home park proposed.
 - g. Date, north point and scale of the drawing.
 - h. I. Preliminary plan of proposed water distribution system.
II. Preliminary plan of proposed sewage collection system.
III. Preliminary plan for on-site and off-site drainage.
2. Where the preliminary plat submitted for approval covers only a part, a unit or increment of the owner's entire holding, a sketch of the prospective future street system of the unsubmitted part shall be furnished and the street system portion submitted for approval will be considered in the light of adjustments and connections with the street system of the part not submitted.
3. The approval of the preliminary plat by the City Council does not constitute official acceptance of the proposed mobile home park by the city, but does authorize the preparation of the final mobile home park plat. There shall be no work in the field on the proposed park until the final plat has been approved and accepted in an official action by the City Council, and the instrument recorded in the office of the county clerk.

Section C. Duration of approval.

Approval of the preliminary plat expires at the expiration of a period of six (6) months unless the final plat has been submitted for approval.

Section D. Procedure for approval of final plat.

Preparation. After the approval by the City Council of the preliminary plat, a final plat shall be prepared and submitted to the City Council for approval and subsequent recording in the office of the county clerk. Four prints of this final plat shall be submitted to the City Council at least ten (10) days prior to the regular meeting the City Council at which approval is requested.

Section E. Preparation of final plat.

The final plat shall be clearly and legibly drawn to a scale not smaller than one inch equals one hundred feet (1" = 100') on a sheet twenty four (24) inches by thirty six (36) inches size. All figure and letters shown thereon shall be plain, distinct and of sufficient size that they can be easily read. Should more than one sheet be required for the layout, there shall be included with the several large-scale drawings, a key map showing the entire mobile home park drawn at a smaller scale, with block number and street names, this key map is to be included upon the first sheet or separately upon a cover sheet of the same size as the large-scale sheets.

Section F. Contents.

1. The final plat shall show or be accompanied by the following information:
 - a. The mobile home park name or identifying title and the name of the city, county and state in which the proposed mobile home park is located, the name and address of the owner.
 - b. The names of adjacent subdivisions, names of streets, the number of lots and blocks, the same to be in accordance with a systematic, consecutive numbering arrangement. Names of new streets should, wherever, possible, follow or be extensions of existing street names.
 - c. An accurate boundary survey of the property of the proposed mobile home park noting bearings and distances of the sides, same being referred to an original corner of the survey of which the land is a part, and established subdivisions showing the lines of all adjacent land and properties, lines of adjacent streets, alleys and easements noting widths and names of each. Streets, alleys and easements of adjacent subdivisions shall be shown in a different manner than those of the proposed mobile home park, preferably dotted or dashed.
 - d. The final plat shall indicate the location of all lots, streets, highways, alleys, easements, parks, playgrounds and such other features with accurate dimensions given in feet and decimals of the foot, showing the length of radii, deflection angles, and arcs of all curves, tangent distances and tangent bearings shall be given for each street, all such data being complete and sufficiently precise to permit accurate locations upon the ground.
 - e. Proposed plans for all utilities such as:
 - I. Proposed water distribution system.
 - II. Proposed sewage collection system.

III. Plan and profile of proposed streets.

IV. Plan and profile of on-site and off-site proposed drainage facilities.

- f. The building lines of front and side streets shall be shown dotted or dashed, and the location of utilities shall be shown in dashed lines.
- g. Proper blanks for certificate of approval to be filled out by the City Council.
- h. Date, scale and north point.

Section G. Approval by City Council.

- 1. After approval of the plat by City Council four white background blue-line prints shall be furnished to the City Council. All figures, letters and symbols shown upon the drawings shall be in plain, distinct and of sufficient size as may be easily read and of such density as will remain a permanent and lasting record.
- 2. Final approval shall be valid for a period of one year. If construction has not been completed within one year, developer shall resubmit plan to determine if it meets current ordinance. If plans do not meet the current ordinance, then they shall be revised accordingly.

Section H. Fees.

A filing fee of fifteen dollars (\$15.00) per plat plus two dollars and fifty cents (\$2.50) a lot shall be required and made payable by check drawn to the order of the city upon submission of the preliminary plat to the planning commission for approval. No charge will be made for the final plat. For replats, a charge of five dollars (\$5.00) will be made in the event no preliminary plat is required. If a preliminary plat is required, the required charge shall be the same as for a new subdivision plat.

Article VI.

Section A. Mobile Home Park Standards.

- 1. The provisions of Article VI are prospective and shall not apply to a mobile home park in the city on the effective date of this ordinance.

Location.

- 2. A mobile home park may be located upon any property in the city provided:

- a. The site is a contiguous development of land comprised of a maximum of two acres and a minimum of one acre.
- b. There shall be a maximum of six mobile homes per acre, not to exceed a maximum of twelve mobile homes on a two acre site.
- c. No valid and applicable deed restrictions or other land use restrictions prohibit the development or use of the site as a mobile home park.
- d. Soil conditions, ground water level, drainage and topography do not constitute hazards to the residents health or safety.
- e. The site is not to be exposed to objectionable smoke, dust, noise, odors, or other adverse influences.
- f. The use of the site, as proposed, is not in any flood hazard area.
- g. The location of the site is in compliance with the requirements of this ordinance.

Section B. Requirements and principles.

1. The mobile home park shall conform to the following requirements:
 - a. The park shall be located on a well drained site, properly graded to insure rapid drainage and freedom from stagnant pools of water.
 - b. Each mobile home lot shall:
 - I. Consist of a minimum of seven thousand two hundred and sixty (7,260) square feet.
 - II. Be at least thirty five (35) feet wide at the front stand.
 - c. A mobile home shall be harbored on each lot so that:
 - I. There shall be a minimum clearance of twenty five (25) feet from front of lot line.
 - II. There shall be minimum twenty one (21) feet side clearance between each mobile home.
 - III. End-to-end clearance shall not be less than ten (10) feet.
 - IV. There shall be at least ten (10) feet clearance between mobile home and any building within the park or from any property line bounding the park, except storage building.

- d. All mobile home lots shall abut upon a street or driveway and shall meet the following requirements:
 - I. Entrance and collector streets shall be at least twenty eight (28) feet wide.
 - II. All other streets or driveways shall be at least twenty four (24) feet wide.
 - III. All streets or driveways shall be well marked in the daytime and lighted at night.
 - IV. The minimum quality of all public streets which are to be dedicated and driveways shall be six (6) inches of concrete and constructed in accordance with the most current edition of Design Standards for the city.
 - V. Any private streets and driveways may be (6) inches of limestone base (or its equivalent) and one and one-half (1 1/2) inches of asphalt topping.
 - VI. Along all public streets, concrete curb gutter shall be constructed in accordance with the most current edition of the Design Standards for the city.
- e. For each mobile home lot there shall be two (2) off street parking spaces provided.
- f. All public and private utilities shall be installed underground if available.
- g. Must be at least two hundred (200) feet from any permanent building located outside the park.
- h. Must be completely surrounded by a solid fence at least six (6) feet in height, with the exception of the entrance to the mobile home park.

Article VII.

Section A. Licenses and permits.

- 1. It shall be unlawful for any person to maintain or operate within the limits of the city of Beasley any mobile home or recreational vehicle park unless such person holds a valid license issued annually by the City Council in the name of such person for the specific mobile home park.
- 2. The annual license fee for such mobile home park shall be one hundred dollars (\$100.00) per year for the first two mobile home stands and ten dollars (\$10.00) fee for each additional mobile home stand.

Section B. Transfer of license.

Every person holding a license shall give notice in writing to the City Council within twenty four (24) hours after having sold, transferred, given away, or otherwise disposed of any interest in, or control of any mobile home park. Such notice shall include the name, and address of the person succeeding to the ownership, or control of, such mobile home park. Upon application in writing for transfer of license and deposit of the twenty-five (\$25.00) dollar transfer fee, the license shall be transferred if the mobile home park is in compliance with all applicable provisions of this Ordinance. Such transferee shall be entitled to operate the mobile home park for a period of thirty (30) days, but if he shall not have within said period of time made application for a mobile home license, then his right to operate such park shall terminate upon the expiration of the thirty-day period. If such license terminates upon the aforesaid basis, the occupants of the mobile home park shall be given a thirty-day (30) notice to remove their mobile home from the premises and failure to do so within such period of time shall constitute a violation under this chapter.

Section C. Application for license.

1. Application for original licenses shall be in writing, signed by the applicant and shall contain the following: the name and address of the applicant, the location and legal description of the mobile home park, plans and specifications of the park as required by this Code, and any information that may be required by the City Council so that the city can determine whether the parks meets all applicable laws and ordinances. Such application shall be accompanied by the payment of the annual license fees.
2. Application for annual renewal of licenses shall be made in writing by the holders of the license, shall be accompanied by payment of the annual license fee and shall contain any change in the information submitted since the last license was issued.

Section D. Appeals.

Any applicant for a mobile home park operator's license whose application has been denied may appeal such denial by written notice of appeal to the council within fifteen (15) days of receipt of notice of denial of license.

Section E. Revocation.

1. The City Council may revoke any license issued under this ordinance in case any of the provisions thereof are violated. However, before said license may be revoked, the City Council must give ten (10) days notice to the holder of such license and hold a hearing thereon. After such license has been

revoked, the license may be reissued if the reasons for such revocation have been duly corrected.

2. After a mobile home operator's license has expired or has been revoked, notice shall be given by the city to the occupants to vacate the premises within a period of thirty (30) days and remove their mobile homes therefrom. Failure of any such occupant to comply therewith shall constitute a violation under this ordinance.

Section F. Posting of License.

The license certificate shall be conspicuously posted in the office of or on the premises of the mobile home park at all times.

Article VIII.

Section A. Rules and regulations for mobile home park.

1. It shall be the duty of the owner, his agent representative or manager to prescribe rules and regulations for the management of the park; to make adequate provisions for the enforcement of such rules; and to subscribe to any and all subsequent rules and regulations which may be adopted for the management of such park. Copies of all such rules and regulations shall be furnished to the City Secretary. In addition thereto, it shall be the duty of the owner, his agent, representative or manager to comply strictly with the following:
 - a. Provide for regular inspection of all public and private utilities.
 - b. Provide for all collection and removal of garbage and other waste material.
 - c. Prohibit the placing or storage of unsightly material or vehicles of any kind.
 - d. All sewer traps not in use shall be capped.
 - e. Provide and maintain safe and sanitary public and private utility connections to each mobile home lot.
 - f. Maintain a neat, clean, sanitary and safe park.
 - g. Insure that each mobile home is so placed on the stand in such a manner that the full length of the frame can be firmly blocked to the concrete footings or concrete runners.
 - h. Each mobile home stand shall be assigned a number and this number shall be displayed on the street side of the mobile home.
 - i. Provide or demand that all mobile homes have skirts within thirty (30) days after being placed.
2. The licensee shall maintain or ensure that an agent maintains a register showing:

- a. The names of persons staying or residing in the park showing the mobile home lot on which they are staying or residing.
 - b. The serial number of each mobile home.
 - c. The date each mobile home is placed in the park and the date it is removed from the park.
 - d. The date each recreational vehicle is placed in the park and the date it is removed from the park.
3. The registers shall be available for inspection at all reasonable times to persons designated. Registers shall be retained for three years.

Article IX.

Section A. Water, Sanitary sewer, electrical and gas supply.

All mobile homes are to be properly connected to an approved water, sanitary sewer, gas and electrical system, and terminate within the mobile home stand.

Section B. Fuel.

Bottled gas shall not be used at individual mobile home lots unless the containers are properly connected by copper or other suitable metallic tubing. Bottled gas cylinders shall be securely fastened in place. No cylinders containing bottled gas shall be located in a mobile home or within five (5) feet of a door thereof. State and local regulations applicable to the handling of bottled gas and fuel oil must be followed. The maximum number of gallons of bottled gas per mobile home shall be no more than one (1) five gallon and one (1) fifteen gallon container. The maximum amount of fuel oil per mobile home shall not be more than fifty-five (55) gallons.

Article X.

Section A. Additional construction.

It shall be unlawful for any person operating a mobile home park or occupying a mobile home to construct or permit to be constructed any additional structure, building or shelter in connection with or attached to a mobile home, except, however, awnings of canvas or metal, suitably constructed, may be attached to such mobile home.

Article XI.

Section A.. Tie downs.

1. The installation of manufactured housing shall comply with the standards and requirements of the Texas Manufactured Housing Code.

2. All manufactured housing must have adequate tiedowns pursuant to Vernon's Ann. Civ. St. art. 5221f.
3. Manufactured housing shall be placed on piers and footings meeting the following requirements:
 - a. Piers and footings shall be installed directly under the main frame or chassis of the mobile home. They shall be located under both frame rails. Piers shall be spaced so that the center of no pier is farther than ten (10) feet from the center of the next one.
 - b. All footings shall be of solid concrete type construction, at least sixteen (16) inches in width, and four (4) inches in height. All grass and organic material shall be removed from beneath the footing and the pier footing shall be placed on stable soil.
 - c. Piers shall be constructed of standard eight inch by eight inch solid concrete type construction blocks. Treated wood blocks and shims used for leveling shall be no more than 4 inches in overall thickness per pier, and blocks shall be at least seven and one-fourth (7 $\frac{1}{4}$) inches wide and fifteen (15) inches thick.
 - d. Piers similar to those described above such as adjustable screw anchor columns may be used if they are attached to both the frame rail and to a concrete pad at least four (4) inches thick.

Article XII.

Section A. Responsibility of licensee or agent.

1. The person to whom a license for a mobile home park is issued shall provide adequate supervision to maintain the park in compliance with this chapter and to keep its facilities and equipment in good repair and in clean sanitary condition.
2. The licensee shall notify or have an agent notify the community residents of all applicable provisions of this chapter and inform them of their duties and responsibilities under this chapter.
3. The licensee shall supervise or have an agent supervise the placement of each mobile home on its stand which includes securing its stability and installing all utility connections. Where permits are required, they shall refuse to allow connections that are in violation hereof or require permits.

Section B. Responsibility of the resident.

1. The resident shall comply with all applicable requirements of this Ordinance and shall maintain his mobile home site, its facilities and equipment in good repair and in clean sanitary condition.

2. The resident shall be responsible for proper placement of his mobile home on its mobile home stand and proper installation of all utility connections in accordance with the instructions of the management. The resident shall obtain all city licenses and permits where required.

Article XIII.

Section A. Insect and rodent control.

1. Grounds, buildings and structures shall be maintained free from insect and rodents harborage and infestation.
2. The community shall be maintained free of accumulations of debris which may provide rodent harborage or breeding places for flies, mosquitoes and other pests.
3. Storage areas shall be so maintained as to prevent rodent harborage; lumber, pipe and other building material shall be stored at least one foot above the ground.
4. The growth of brush, weeds and grass shall be controlled to prevent harborage of ticks, chiggers and other noxious insect. Open areas shall be maintained free of heavy under growth of any description.
5. No person shall keep, store or allow any motor vehicle to remain on the premises of a mobile home park if such motor vehicle is incapable of being operated under its own power.

Section A. Definitions.

1. **Motor home** shall mean a vehicular unit designed to provide temporary living quarters for recreational, camping or travel use built on or permanently attached to a self propelled motor vehicle chassis or on a chassis cab or van which is an integral part of the completed vehicle.
2. **Recreational vehicle** shall mean a unit which contains facilities for either sleeping or temporary living quarters, or both, and which has its own motive power or is designed to be mounted on or towed by another motor vehicle. The term recreational vehicle shall include but not be limited to a motor home, truck camper, travel trailer and camping trailer, provided however a recreational vehicle shall not include a boat, a mobile home or modular home.

3. **Travel trailer** shall mean a vehicular, portable structure on a permanent chassis designed by the manufacturer to be towed by another vehicle.
4. **Camping trailer** shall mean a portable unit mounted on wheels and constructed of collapsible partial side walls which fold for towing by another vehicle and unfold to provide temporary living quarters for recreational, camping or trailer use.
5. **Truck camper** shall mean a portable unit constructed to provide temporary living quarters for recreational, travel, or camping use, consisting of a roof, floor and sides to be loaded onto and unloaded from the bed of a truck.

Section B. Placement of recreational vehicles.

It shall be unlawful for any person to place, use or occupy a recreational vehicle within the city unless such placement, use or occupancy is specifically authorized by this chapter. Further, it shall be unlawful for any person to permit, allow or suffer the placement, use or occupancy of a recreational vehicle on any property under his ownership or control unless such placement, use or occupancy is specifically authorized by this chapter.

Section C. Recreational vehicles outside parks.

1. A recreational vehicle may be parked or stored outside a mobile home or recreational vehicle park so long as occupancy does not exceed seven (7) days in any consecutive six-month period, and no utilities are connected to the recreational vehicle and the vehicle is not parked on or extending over public property unless parked on the street in full compliance with the laws.
2. A recreational vehicle parked or stored on private property shall be set back a minimum of twenty-five (25) feet from the front property line.

Section D. Recreational vehicles inside of parks.

1. A motor home, a truck camper or a travel trailer may be placed in a mobile home park or a recreational vehicle park for a period of time not to exceed six (6) months within any consecutive twelve month period, and may be used for sleeping and living purposes during the time that it is so placed in the park if:
 - a. It is self-contained.
 - b. It has at least one hundred twenty (120) square feet of floor space.
 - c. The park in which it is placed is licensed by the city as a recreational vehicle park.

- d. It is placed on a lot in the park which was shown on the park's application and approved by the city for use of the specific type of recreational vehicle being placed thereon.
